Dear Ms./Mr. Hiring manager,

I am an Analytical Chemist with 1.7 year of experience. In ADL Department of Aether Industries, SURAT. I am applying for the position of Analytical Research Associate in o2h.

I have experience in Gas Chromatography & HPLC and also in Wet Lab, Karl Fisher, LOD, UV and IR.

With my experience in these tasks, I think I will be a suitable candidate for your company requirement. Please find attached my resume for your reference.

I am based in Gujarat & communicate to your office location for this role.

Sincerely,

ISHAN BHALODI
